## Craic Cruinniú

**Killarney House & Gardens, Killarney | 1.00pm-5.00pm**  
**Age: All | No Booking Required | [info@fanzini.ie](mailto:info@fanzini.ie)**

Craic Cruinniú is a free circus event, filled with interactive shows, stilt walking walkabouts, circus and slackline workshops in the beautiful courtyard and gardens of Killarney House in the heart of Killarney town. All you need to bring is a good sense of humour, fun in your heart and an openness to learn new things.

Join The Fanzini's for a once-off day of wonderful entertainment curated by Fanzini Productions full of fun, interaction, colourful stilt walker walkabouts and interactive drumming shows.

The shows are all walk up and the stilt walkers are walkabout, roving style, interacting with the audiences as they go. The workshops are 'have a go' style and will run from 1.00-5.00pm with breaks for the tutors.

## Imagine, Draw, Make! Workshop

**11.00am-4.15pm | Age: All**  
**The Schoolhouse, Muckcross House and Traditional Farms, Killarney | No Booking Required | [www.meandthemoon.ie](http://www.meandthemoon.ie)**

What can you make with clay? Let's brainstorm together and explore. We will begin by sketching - shapes and lines become the inspiration for your piece. Next we will discover techniques and methods to create though play the possibilities of clay.

Children are given the freedom to create just about anything from clay and, in doing so, will learn how to process all their ideas into one tangible piece of art. This workshop explores the tactile nature of clay, while promoting self-expression and independent thought. The theme of each piece can be left open to the interpretation of the child.

### 5 WORKSHOPS

*including rolling drawing tables available throughout the day*

**11.00am - 11.45am    13.30pm - 14.15pm    15.30pm - 4.15pm**

A day full of STEAM workshops!

### Make a Superhero Flyer!

Join us to make your very own Superhero Flyer! Create, colour and design your superhero and then launch them into the sky!

### Jovial Juggling!

Join us and learn how to juggle! Throwing and catching, tricks and tips to improve your juggling skills. Move from 1 to 2 balls, then work your way up to 3 in this interactive workshop. Be sure to give yourself space and time!

### Let's Fly!

Humans have been flying for over 200 years - join us to learn how to make your own paper airplanes. Darts, gliders and stunt planes will all fly differently - learn which is which and test for yourself! At the end, we will show you how to make an incredible Hoop Glider which will fly at least 40 feet!

### Make a Spinner Toy!

Come and make a cardboard spinner toy (also known as a whirlygig) that can spin up to 20,000 rpm! This 'toy' has been used as a centrifuge in many places around the world where there is no electricity. This allows people to separate out biological substances where previously they would have needed a centrifuge that could cost from €10,000 upwards.
