CULTURE NIGHT **Late at Gallarus Oratory**

Time: 8.30pm - 12 midnight

Gallarus Oratory is an ancient church set in the landscape of the Dingle Peninsula for over 1000 years. A special event organised for Culture Night 2023 will see it come to life through an outdoor light display by artist, Tim Schmelzer. An exciting animation exploring light, colours and sounds will be projected onto Gallarus Oratory and repeat every 10 minutes.

Transport from Dingle town is available through a special shuttle service organised by Local Links. The shuttle will depart the quay bus stop opposite Supervalu in Dingle at 8.15pm and run every 20-25 minutes.

This event is made possible through the support of the Arts Council of Ireland, Kerry County Council, Éalain na Gaeltachta, OPW, Local Links, and the Gallarus Oratory Visitor Centre.
