

## Island of Geese Outdoor Performance Space

At the centre of the public realm space in the 'Island of Geese', Kerry County Council with the support of the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media under the 'Outdoor Public Space Scheme 2021', have developed an outdoor performance space consisting of a semi-circular shallow amphitheatre type covered seating and a performance area with a designated 'stage' area between the seating and retained chimney. The project provides a generous performance space which can facilitate a wide range of cultural events such as cinema, music, dancing but will also offer a wide range of possibilities for community and sporting organisation to host events.

Requests for the use of this area can be made through the Tralee Municipal District Office
